

Environment Hamilton presents

Energy Wisdom for Church and Home

Building a Geo-Thermal Church:

Meadowlands Fellowship Christian Reformed Church in Ancaster is the only exclusively geo-thermally heated and cooled church in North America. Denise Neutel will give a talk and tour of this building constructed in 2005.

Retrofitting a 1950s Bungalow

Denise will also share her experiences with the ecoEnergy retrofit of her 1950s bungalow, describing the process to achieve super, high energy-efficient standards, while benefiting from government incentives and rebates.

**Saturday, February 28th 2009 at 10am
211 Stonehenge Drive, Ancaster**

Registration is required with Environment Hamilton's Energy Awareness Initiative For Faith Groups
